

Berlin-Bochum Memory Symposium - ECR Meeting 2025

The Berlin-Bochum Memory Symposium - ECR meeting program focuses on fostering scientific exchange between the members of the funding partners.

By creating a welcoming and friendly atmosphere, where participants are encouraged to relax and enjoy themselves, participants will have a chance to interact with other researchers who investigate memory from different perspectives.

Monday (10.03.25)

12:00	Set-up & Preparation
13:00	
14:00	Welcome & Ice-breaker
